RE: DOCKET NO. W-02052-A-05-0528 & W-02052A-05-0529 DECISION NO. 68609
DATED 3/23/2006

In regards to our letter dated June 13, 2007, please disregard the request to cancel the extension for Approval to Construct the Water Distribution System. At the present USDA is working to find the funds for this project. The Company request an 18 month extension until funds should be made available.

All of the funds, \$1,349,178.00, from USDA has been consumed to construct the filtration system for arsenic removal per federal requirements.

Please call me if more information is needed regarding the water distribution system extension request at 520-387-7641.

Sincerely,

Betty H. Tibbitt
